NEW AUXILIARY CONSTABLE — Russell Hebblethwaite (centre) was sworn in last week by Inspector Lloyd Hickman (right). Elk Point RCMP

Sergeant Jim Fell and Inspector Hickman pose with Hebblethwaite following the ceremony.

Auxiliary constable is sworn in to force

By Irene Magnusson

On Tuesday, February 3rd, Inspector Lloyd Hickman, Commanding Officer of the St. Paul Subdivision of the R.C.M.P., was in Elk Point to administer the swearing-in ceremony which made Russell Glynn Hebblethwaite an Auxiliary Constable to the Elk Point R.C.M.P. detachment. Sergeant Jim Fell was on hand to witness the event.

Hebblethwaite, formerly of the St. Paul area, has lived with his wife Terry and son Tyler, 2½ years, in Elk Point for about a year and a half.

Auxiliary Constables, of which Elk Point R.C.M.P. now employs three, are civilian assistants to the regular police, and help in such areas as traffic accidents, emergency situations and general patrolling.

This program has been in ef-

fect for about ten years. The Auxiliary Constables wear uniforms, but no arms, work part time (a total of 16 hours per month) and have authority only when accompanied by regular R.C.M.P. personnel. The other two Auxiliary Constables are Barry Brown and Jerry Blize.

Complaints in the area covered by the Elk Point detachment have risen steadily in the past four years, Constable Doug Huskins said, and the expectations are that this will continue. Staff at present include Sergeant Fell, three Constables, one Native Special Constable, plus the three Auxiliary Constables. There is also a stenographer.

Bordering towns of the area served by the Elk Point R.C.M.P. are Vermilion, St. Paul, Bonnyville - and the Saskatchewan border. A large area.

Council reviews golf club lease

The liveliest discussion in some time erupted at Elk Point Town Council's regular meeting this week, as Council debated the Golf Club lease agreement.

An amendment to the drafted agreement which provides for renegotiation of the rental agreement immediately after the original three year term expires on January 1, 1988 was approved by Council. The original rental fee of \$3000 will be paid by the Golf Club in 1987.

A second amendment regarding redevelopment of the golf course layout to allow for Town development of ball diamonds

and other recreational amenities was the subject of major disagreement. After more than half an hour of debate, Council agreed to ask the Town solicitor to redraft a portion of the clause, clarifying the time frame in which redevelopment must occur.

In other recreation-related matters, Council agreed to pay an interest penalty of \$175 to Dr. K.C. Miller for the belated payment of the second installment in the purchase of the recreation land. Approval of the installment payment had been overlooked at Council's final meeting of 1986,

and it was therefore not sent until after the January 12 meeting.

Councillors Aivina Schühmacher and Marshall Kachmar were authorized to attend the Energize '87 Provincial Recreation Workshop scheduled for March 5 to 7 in Red Deer.

A decision on attendance by Council representatives at the Alberta Municipal Financing Corporation's annual meeting April 13 was tabled until the March 23 meeting.

The Finance/Personnel/Bylaws Committee will study the number of STEP employee positions required for this coming summer. It is estimated that the Town will need twenty to twenty-five STEP positions.

Council reviewed the measures which are necessary to be implemented in order to effectively enforce the provisions of the new Animal Control Bylaw #432/86. These may include hiring a dog catcher and paying for use of pound facilities, but Mayor Byron Mann feels it would be "worthwhile to spend some money to alleviate the problem."

A pecuniary interests bylaw will be drafted by the Administrator, at the request of Council. This type of bylaw, to prevent the incidence of conflict of interest situations within Council, was suggested at the conference for elected officials that several members of Council

Planning celebrations

Planning for celebration of Elk Point's multiple anniversaries is well underway, with several recommendations of the Celebrations Committee ratified by Town Council at Monday's regular meeting.

The 80th anniversary of settlement in the Elk Point district will be commemorated by the presentation of medallions to those 80 years old and over, during Senior Citizens Week, June 7-13, 1987. The town residents in that age bracket have been listed, while those in the surrounding area will be invited to contact the Town Office by April 30, 1987 to be added to the list.

Another recommendation is that the Town seek the cooperation of the

Lakeland Review in running a series of historical articles highlighting significant events since the settlement of the area in 1907 - 1909.

To celebrate the 25th anniversary of Elk Point's incorporation as a town, plans for three contests have been made. Council approved a contest for the design of a municipal flag incorporating the themes and color contained in the Town logo. A prize of \$50 will be awarded to the winner, who will be announced during Municipal Involvement Week, April 6 - 10. Entry deadline is March 31, 1987.

The winning design will be made into a flag which will be raised for the

recently attended in Vermilion.

Thank you letters will be directed to Dome Petroleum, who sponsored the successful H₂S course attended by 19 volunteer firemen, ambulance personnel and Town Public Works employees, and to the Elk Point Hospital, who conducted a CPR course for Town employees recently.

Council discussed a recent incident involving a volunteer fireman who took a fire truck to a fire without summoning additional help or reporting the fire. A letter will be directed to the fire chief pointing out that this action

is against Town regulations and asking that the individual be warned that repeated offenses of this type will not be tolerated.

Councillor Allan Frankiw was added to the Police / Fire / Weeds / Dogs and Pests Committee, joining Councillor Steve Shmyr.

A notice of appeal has been filed by Pile Base Contractors Ltd. on the judgement granted in the Town's favor by the Honorable Mr. Justice Crossley on December 5, 1986. The Town solicitor will advise Council of further developments in respect of the appeal.

Correspondence from District

Transportation Engineer John Schroder dated January 28, 1987, affirmed that Alberta Transportation's contract for Highway 41:22 reconstruction fully covers the estimated cost overrun.

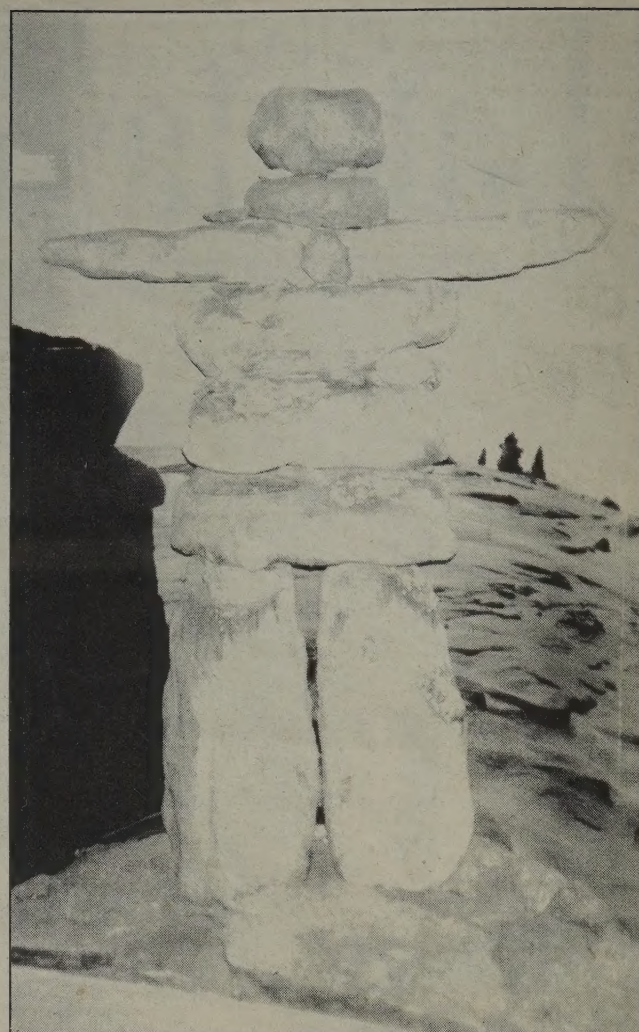

Council authorized the execution of the waiver of damages claim for Lot 12A, Block 1, Plan 762 0936, following Alberta Power's relocation of the power transmission line across the property, which is a narrow lot east of Buck's Construction which is crossed by a drainage ditch.

The Town will proceed with purchase of a three meter cutoff at the southwest corner of the intersection of 50 Ave. and Highway 41, necessary for turning onto the highway.

Land Use Bylaw #450/86 was given second reading, with no further amendments added. The third reading was delayed until the revised final draft of the bylaw is received.

Tax rolls will be in the mail by press time, Council was told, with 117 changes in assessment this year. Mayor Mann, Councillor Steve Stepaniuk and Councillor Allan Frankiw were appointed to the Court of Revision, with Administrator Pat Vincent appointed as Clerk to the Court of Revision.

EDITOR'S NOTE: The Land Use Bylaw #450/86 mistakenly referred to in last week's story as Bylaw #350/86. Our apologies for this error.

Museumobile to visit E.P. this week

By Irene Magnusson

I read with pleasure that the Canada North Museumobile will be setting up in Elk Point on February 12th and 13th. By all means go, if you possibly can. You cannot help but enjoy it. Do give yourself sufficient time to look at all the displays closely.

Last summer the Museumobile was

in St. Paul, and I was fortunate enough to go, but didn't see my fill, so will go again. The North is part of us, yet it is very different. The art work is especially interesting, with meanings intricate and touching, especially if you read all the explanations.

The human 'rock figure' is said to be erected to show that man has pass-

ed this spot. (Around Elk Point, we leave beer cans and Pampers). The trapper's cabin is interesting and detailed, showing modern use of gaslamps and burners to cook on, as well as really old stuff.

There are carvings and stuffed animals, jewelry and plant-life shown, plus many, many more. Don't miss it! And don't forget, it's FREE.

EDITOR'S NOTE: Museumobile hours: Thursday - 9 a.m. - 12 noon, 1 p.m. - 6 p.m., 7 p.m. - 9 p.m.; Friday - 9 a.m. - 12 noon.

Planning celebrations

(Cont. from Page 1)

first time on Canada Day, July 1, 1987.

Essay and poster contests were also given approval by Council, the winners of these also to be announced during Municipal Involvement Week. The essay contest will have categories for Junior High and Senior High students, while the poster contest will have categories for various grade levels in both the elementary

and high schools. Prizes of \$20, \$15 and \$10 will be awarded in each category of both contests. Winners of these two contests will advance to a provincial level contest. Watch the Lakeland Review for further information on all three contests.

Council agreed to the ordering of five hundred special lapel pins commemorating the Town's 25th anniversary, with the pins to be sold to the general public at cost.

From the Sergeant's Desk

By Sgt. Jim Fell

Elk Point Detachment

I have two things to report this week. I have just received the Alberta Statistics for Safe Driving Week and the Festive Season Checkstop Program.

Safe Driving Week, December 1st to 7th, was rather gloomy this past year with eight fatal accidents claiming nine lives. There were 90 injury accidents with 147 injured and 705 property damage accidents for a total of 803 collisions. These are the highest totals in five years. The only statistic that surpassed the 1986 total was property damage accidents in 1985 with a total of 714 compared to 705.

In the Elk Point District, we had only one injury accident reported with three people injured.

The R.C.M.P. 1986 Festive Season Checkstop Program was conducted

between December 17th and the 31st. Within R.C.M.P. jurisdiction, 1,412 checkstops were conducted with 37,147 vehicles being checked. Of those checked, 124 Impaired Drivers were detected and charged, 1,085 other charges including illegal possession of liquor, driving while suspended, driving without insurance, etc. were laid.

Although the checks themselves were increased by approximately 5.5% the Impaired Drivers increased by 26.5%. This does not say much for the attitude of Drinking Drivers.

In Elk Point, we conducted 14 Checkstops and detected five other offences but I am pleased to say we did not detect one Impaired Driver. Congratulations Elk Point and District.

HAVE A SAFE WEEK

Bantams win first round in provincials

By Shirley Osinchuk

A trip to Lac La Biche Friday night, February 6, ended in a 5-5 tie for the Bantams in the first round of Provincial play.

The Lac La Biche Bantams returned to Elk Point on Sunday afternoon for the second game of the two-game, total point series.

The first period was scoreless and so was the second period, until Lac La Biche's Mark Gauthier scored at the 14:50 point. Lindsey Jenner scored two minutes later, assisted by Blaine McLaughlin and Roger Osinchuk.

Jimmy Onusko scored when the team was short-handed, then Ken Arndt scored, assisted by Jason Reinhart at the sixteen second mark.

The third period was fast action without score, until Jason Reinhart shot in the last goal at 28 seconds.

Lac La Biche outshot Elk Point 37 to 30, a tribute to our excellent goaltending for Curtis Porcina.

The next round is with the winner of the Bonnyville - Waskatenau series.

ELK POINT LIBRARY BOARD — Left to right: Alvina Schuhmacher, Irene Miller, librarian Doreen Mayner, Vice-Chairperson Lena Stepa, Chairperson Adele

Mandryk, Treasurer Stan Dmytrash, Secretary Billie Lynn Milholland, Nicki Riemer and Sally Vincent.

Library board elects 1987 executive

Elk Point Municipal Library Board elected their 1987 slate of officers at their Annual Meeting last Tuesday night, with Adele Mandryk chosen as chairperson, Lena Stepa as Vice-Chairperson, Billie Lynn Milholland as Secretary, and Stan Dmytrash remaining for another term as Treasurer.

Committees to deal with the library's needs during the coming year were also set up. Sally Vincent and Alvina Schuhmacher will be on this year's Building and Grounds Committee, while Irene Miller, Lena Stepa and Sally Vincent will take care of Personnel Committee chores. Nicki Riemer, Billie Lynn Milholland and Lena Stepa will be in charge of Publicity and Fundraising, with librarian Doreen Mayner and the entire board forming a Book Selection Committee. Irene Miller, Billie Lynn Milholland, Adele Mandryk and Beryl Brett will form the Policy Committee, with Ms. Mandryk and Ms. Brett joined by Nicki Riemer, Doreen Mayner and Stan Dmytrash on the Needs Assessment Committee. Lena Stepa, Irene Miller and Billie Lynn Milholland will arrange this year's Book Fair. Adele Mandryk, Doreen Mayner and Stan Dmytrash are the 1987 Finance Committee, while Irene Miller will represent Elk Point on the Library Systems Steering Committee. The chairperson, vice-chairperson, secretary and treasurer will form an Executive Committee.

Former Board member Ollie Fedorus was presented with a pin in commemoration of his three years of service with the Board, along with a hearty vote of thanks.

Librarian Doreen Mayner presented her annual report, with a rundown of the goals and objectives achieved during 1986. The first goal, to provide more and better service to library patrons, was well met, with hours of operation increased to a present level of 31 per week. Assistant Diane Fraess, hired on a P.E.P. position for eight months of the year, summer S.E.E.D. student Kris Ann Maas, and a number of volunteers helped to make this extended service possible. Work on the card catalogue is well underway also, thanks to the help of the above mentioned personnel.

Mrs. Mayner has been attending the Rural Library Training Project, with five more courses completed in 1986, for a total of eight, and only two more to go before she has sufficient credits for a certificate in Small Library Operations.

The second goal was to encourage library board members to increase their knowledge and interest in matters pertaining to libraries. To this end, board members Lena Stepa and Irene Miller attended last spring's ALTA-ALA conference in Jasper, while they and several other board members also attended several workshops in St. Paul. Irene Miller was the board's representative to the North East Library Project Steering Committee, and served on the executive of that body.

The third goal, to sponsor a second annual summer reading program, was well achieved with the help of summer student Kris Ann Maas, who had 15 elementary students and 25 pre-schoolers in her groups.

The fourth goal was to initiate a "Friends of the Library" auxiliary group. While no formal group has yet been formed, a fine job of canvassing for volunteer help was done by Beryl Brett, netting fifteen more volunteer

assistants. Mrs. Mayner reported that she has been keeping track of the hours served by these volunteers over the last two months, and a total of 158 hours have been logged since that time.

Providing facilities within the library for programs, meetings and displays was yet another goal. During 1986, the board authorized the display of the Ukrainian Dance Club's memorial dolls in the library. Lucille Mackenzie displayed her water color paintings in the library last July. A number of groups have held meetings in the library, and an ongoing storytime program is enjoyed weekly by local pre-schoolers.

Promotion and publicity for the library was another goal which was achieved this past year. A book fair was held to celebrate the first birthday of the library, and a contest held earlier in the year to guess the number of members. These and a number of other articles and photos during the year served to promote the library.

A needs assessment committee has been set up to work toward last year's final goal, which is to endeavor to find out if the library is providing a satisfactory service to the community, and to find ways to improve this.

The library circulated a total of 15,720 books, magazines and talking books during 1986, an increase of 23.3% from 1985. The library had 760 registered patrons. There were 321 inter-library loans and 46 Zenith line requests, a 211% increase from the previous year. The library borrowed 120 large print books, and purchased 38 subscriptions to periodicals during the year. Another eight periodicals are received free of charge. A total of 1010 new books were purchased and 354 donated, bringing the total bookstock on hand to approximately 12,000 volumes.

RETIRING BOARD MEMBER HONORED — Ollie Fedorus is presented with a commemorative pin by Library Board Vice Chairperson Lena Stepa.

Local history book helps beginning adult readers

Stories from the Lakeland is a unique book just published at Lakeland College. Edited by Colleen Hanley, this group of historical recollections was compiled by members of Lakeland College's LEARN literacy program and offers its readers a nostalgic look into the past of the region. Reading level is appropriate for new as well as experienced readers.

Copies of Stories from the Lakeland will be first available at the LEARN tutor rally to be held February 21 at Vermilion. Subsequent copies can be obtained from your local Lakeland College office, and multiple copies are available through the LEARN coordinator at the college's Cold Lake Campus. Telephone 638-3939. Cost is \$2.50 per copy.

Survey results in

The replies -- all twelve of them -- to the Lakeland Review's survey of what pleases you and displeases you about our weekly paper are in, and the results have been tabulated. We feel that, in spite of the small number of replies, we have heard from quite a cross-section of our readership, with respondents giving their ages as from 26 to 86.

Readers agreed unanimously that Elk Point community news is tops on their list of interest-catchers -- in fact, two thirds of them want more of it. Eleven readers apiece are interested in local hard news and Town Council reports, with half the readers opting for more hard news.

Ten out of twelve readers keep an eye on the announcements, while eight enjoy the district news. Seven are interested in our editorial comments (although one commented on boring editorials -- we must admit, sometimes they ARE!) and another seven rely on the Review for the TV listings. We had several comments on the small type in the TV listings, and are remodelling them immediately to try and correct this. Half of the readers expressed an interest in Alberta Trails and our occasional feature stories.

Surprisingly enough, only three out of twelve said they were in-

terested in the sports coverage -- five asked that it be decreased, and one said flatly, "too much hockey". Don't worry, sports fans, we will still offer sports coverage -- and, to those who are getting tired of hockey, cheer up -- it's sure to go away in the next six weeks or so.

As to our advertising, eleven out of twelve read our grocery ads, and nine of twelve read the Classifieds.

To those who felt our photography is getting better, thank you. To those who feel it still needs work, we are doing our best to do just that.

Sincere thanks to the kind folks who called ours a "great little paper", said they were "just not able to find fault" and commented on a "job well done." We are glad you like it!

To all who took the time to answer and return the questionnaires, we really appreciate hearing from you. We will take every one of your suggestions into consideration, and hopefully come up with just the kind of paper you want to see in your mailbox each week.

Keep on reading the Review, and let us know how we are doing from time to time.

New correspondents

A hearty welcome to our two new correspondents, Phyllis Ewen of Dewberry and Marlene Jacula of Derwent, to the Lakeland Review.

Mrs. Ewen has kindly taken over the collection of the Dewberry News from Cliff Cunningham, who is retiring. Mr. Cunningham will continue to report on the hockey

results from that area for the balance of the season.

Mrs. Jacula is presently a correspondent with the Two Hills County Journal, and has consented to have her news printed in the Lakeland Review also.

Welcome, ladies! We are glad to have you with us.

SOMETIMES WE CAN WAIT FOR NATURE TO DO HER THING -- And results turn out a lot better than we humans can plan. Here the sunset turns the Elk Point

Holy Eucharist Church to gleaming gold. The camera was merely passing by. I. Magnusson

Alberta Trails

Can there be a moral?

By Irene Magnusson

Long ago, when I was a kid, my Mother used to recite a rather blood-curdling poem (nursery rhyme) called *The Gingham Dog and the Calico Cat*, who, according to the verse - "Side by side on the table sat. One had a mouse, and the other had none - and that is the way the fight begun."

One had a mouse and the other had none, and that was the way the fight begun, so the story went, and I think of how very apt it is today, whenever we listen to the wild and woolly arguments out of the House of Commons. Whoever doesn't have the 'mouse' of the moment is ready to pounce, ready to snatch the spoils from the other. And so the spats go on, no one gaining much, except the very doubtful glory of tearing the other side to bits.

In the old poem, there was only an "Old Dutch clock on the mantel place," which, in the terrible battle that ensued, "Up with its hands in front of its face," because it couldn't bear to watch the carnage going on throughout the night.

In the end, "The truth about the cat and pup, is this -- they ate each other up! (The only reason that I know, is the Old Dutch clock -- it told me so.)" And in the morning nothing remained of the quarreling pair, and they were not seen again after that.

So do you think it possible, if the Honorable Members go on squabbling long enough -- and here I include the M.L.A.s as well -- that some dark night, when no one is watching but the Old Dutch clock, that they may eat each other up?

I wonder if the moral to this story (and all stories seem to have some moral conclusion) is that we do not gain much by fighting, especially among ourselves. One could well wish our elected representatives would bend their efforts to solving some of our problems, righting a few wrongs, and otherwise make themselves useful for the wages we pay them, instead of barking and complaining night and day. I simply can't believe anything is to be gained by yapping and howling, day after day, over the

same perceived wrong.

I hate being "an Old Dutch clock" -- don't you?

A few other things that bug me, and I may as well get them off my chest all at once, are drivers, and the Middle East. Of course I don't mean all drivers, just those drivers who are too weak to turn their lights on when cruising down the roads in the midst of a fog, or snowstorm, or dusty conditions, or when it's late day and they have the sun behind them, but give no thought to drivers facing into the sun, who have hard time seeing them.

I met once such lost cause the other day on my way to town. The fog was so thick you could only see about 10 rods (that's as far as the next power pole, for you metric illiterates) and this truck came barreling out of the murk, almost in my lap, with no lights on. The sides of the roads are not that great just now, and should be swerved into with care. I made it O.K., but there were some swear words in my mind for that driver who thought because he knew he was there, that everyone must know, whether they could see him or not. So put your lights on, eh, and let ME live -- whether you want to or not.

As for Beirut, and the terrorist countries of the East -- they are apparently peopled by a bunch of un-

civilized savages, and should be treated accordingly. Until they learn how to live in and with the rest of the world, they should be ostracized. Do not travel there, do not trade with them, do not buy from them or sell to them. Certainly do not send free assistance, or teachers, or newsmen, and especially not preachers. They will end up kidnapped, anyway.

Of course, it's easy to say -- "it's not everyone who does these uncivilized things." But it is condoned and tolerated by the governments they have -- and should not be. So why not leave the savages to look after themselves, until such time as they start to act like they should be part of the family of man?

On a lighter note: Gossip is what goes in both ears, and comes, greatly enlarged, out of the mouth.

Until February 18, Birthday People are under the sign of Aquarius. Their traits are said to be: independent, inventive, unconventional and contrary. Their careers could be: sociology, astrology, inventing. Their Element is Air, their Plant is Uranus.

To explain the bump on my car, I have to say: An invisible car came out of nowhere. Struck my car and vanished. And you can quote me on that.

Can there be a moral to all this?

Letter to the Editor

Decent break needed

Dear Editor:

I am often reminded, and concerned, about the time limit placed on our elementary students during their lunch hour.

It is my understanding that the children are allowed only 15 minutes in which to eat their lunch and are expected to spend the remaining 45 minutes outside for recess.

There is milk for sale for those who wish to purchase it, but this purchase is to be made during their 15 minute

lunch break.

I can understand the teacher wanting a decent break, but why is it at our children's expense? I am curious to know how many parents have had to throw out half of their children's lunch, or cut their lunch down to just a sandwich so as not to waste food.

Is it not time for the students to get a decent break?!

MALLAIG PEE WEES — Pose proudly with the Westmin Cup.

"B" SIDE GOLD — Went to Lloydminster Jaycees.

"A" SIDE RUNNERS-UP — Were Kitscoty Pee Wees.

"B" SIDE RUNNERS-UP — Were the Dewberry Colts.

Mallaig peewees win Westmin Cup tourney

Mallaig Peewees took home the gold last Saturday, defeating Kitscoty 7-4 in a hard played final game to win the Westmin Cup in an eight team tournament at Elk Point. Lloydminster Jaycees defeated Dewberry Colts in overtime to win the "B" side of the tournament.

Mallaig got off to a shaky start in the final game, with two Kitscoty goals in the first period and a third early in the second period. Four Mallaig goals and an additional Kitscoty goal tied the game, 4-4, by the end of the second period. Three Mallaig goals came in the final period to give Mallaig the championship.

Mallaig's Most Valuable Player, Denis Jodoin, scored three goals and three assists in the game, with singles scored by Conrad Christensen, Shaun Dechaine, Shane St. Arnault and Re-jean Boutin. Chris Dechaine snagged two assists, with Marc Martin, Paul Christensen, Trevor St. Arnault and Shaun Dechaine contributing one assist apiece. Mallaig's Jacques Hebert was named the game's Most Valuable Goalie.

One goal and two assists brought Kitscoty player, Chris Tremblay, that team's MVP award. Dallas Hardstaff and Conrad Guider scored one goal and one assist each, while Evan Green scored the fourth goal and Michael Tuling, Donald King and Scott McGillis provided the other

ing a tying goal with 1:39 left in the final period. Dewberry had come from a two goal deficit earlier in the period. Nearly four minutes elapsed in the overtime period before Lloydminster's Wayne Heyle scored the winning goal.

Shawn Loney scored a hat trick in the game, and was presented with Lloydminster's MVP award. The remaining Lloydminster goal was scored by Noel Samoil. Assists in the game were by Wayne Heyle, Shawn Dumont, Doug Boyd, Shawn Burzinski and Kirk McNeil. Lloydminster goalie Dean Pasniak received the Most Valuable Goalie award.

Dewberry assistant captain, Robbie Butz, scored one goal and two assists to earn the team's MVP award. David Lychak and Wade Johnson made the other two goals, with three additional assists coming from Kevin Stone and one from Mark Cusack.

Teams from St. Paul, Two Hills, Glendon and Elk Point also took part in the tournament, which was sponsored by Westmin Resources.

In addition to the challenge cup, Westmin presented golden medallions to the first place teams and silver medallions to both runner-up teams, and the MVP's.

The Elk Point Minor Hockey Association

Would like to extend a big

"THANK YOU"

To Westmin Resources for sponsoring all the trophies and medals for our recent Pee Wee Tournament. Also thank you to Gordon McCuaig, Byron Mann, Elk Point Esso, Ron Barwick and all the organizers and volunteers who helped to make this tournament a success.

F. G. Miller High news

By Joanne Giguere

This week was one I'm sure not many students were looking forward to. Second term reports were handed out. We had seven students who had a 90% average or better and thirty-three students who had an 80% average or better. Congratulations and continue the hard work!!

Happy Anniversary goes out to Mr. and Mrs. Hellquist who celebrated their 24th anniversary on February 2.

Our senior high volleyball teams are already thinking about next year as they are selling fruit to raise money. Now is that fruity, or what!! Good luck guys, er, I mean...never mind!!!

I would like to remind everyone interested about the Search For Talent that will be held on February 28 at 7:30 p.m. in the gym. For more information call 724-3966.

I'd also like to mention that on February 18 at 7:00 p.m. the Elk Point Pacers are hosting a basketball game against the New York Harlem Comedy Kings. Advance tickets can be purchased at the high school.

Skiing-- with a difference

By John Bugej

The sport of Biathlon, a combination of cross country skiing and target shooting, is a winter sport which is gaining interest in Canada. Participants are the challenge of racing the clock by skiing a kilometre or two, shooting at five targets and then up on their skis again for another bout to cover a course ranging from 5 to 20 kilometres.

Captain Robert Jensen, Commanding Officer for the Vermilion Army Cadet Corp and a co-ordinator for the Cadet Biathlon, took seven Cadets to the Strathcona-Trust Biathlon Competition held in Camrose January 17 including Corey Blize of Elk Point. Cadet Lance - Corporal Ussher of Vermilion who placed 9th overall making the Alberta Army Biathlon Team. Sergeant Julie Dunn placed 4th in females, bringing the Cadet Corp to 4th in the province. The Breton Cadet Corp came in first.

Biathlon is one of the physical and mental challenges offered to young people in the Cadet program.

Good luck to the "26th" Cadet Biathlon Team - Vermilion!

Elks down Mannville

Elk Point Elks scored an 8-1 victory over Mannville Seniors in a well attended exhibition game at the A.G. Ross Agricentre last Wednesday. Danny Kondla and Murray Cochrane were the top scorers, netting four and three goals respectively.

The two teams seemed very well matched throughout the first two periods of the game, with countless good defensive plays, and fast action by both goalies preventing the many shots on goal from reaching their targets.

Danny Kondla of the Elks scored the lone first period goal, at mid-period, off an assist by John Wozniak.

Mannville opened the second period scoring, with David Konichnie scoring off an assist by Greg Stewart to tie the game. The Elks pulled ahead

with Murray Cochrane's first goal of the evening, assisted by John Wozniak and Kerry Loughran, and took a two point lead with the addition of Pat Broadbent's goal assisted by Lorne Berg.

The third period belonged entirely to the Elks. The powerful combination of Murray Cochrane, assisted by Danny Kondla and Kerry Loughran brought the Elks to a three point lead just over five minutes into the period. Kondla went on to make three goals later in the period, the first unassisted, and the others, just 21 seconds apart, assisted by Kerry Loughran in both cases, and by Vic Stepa and John Wozniak once each. The Cochrane-Kondla-Loughran powerline was back for the final goal of the game, just 24 seconds after Kondla's last goal.

Auxiliary starts year

The Elk Point Hospital Auxiliary picked up the challenge of a new year, with their first meeting, January 26th, off to a good start. Most of those attending spent an hour cutting and tearing rags for sale to the Salt Plant. The articles were discarded hospital linens. Five large bags were prepared. These are used for grease and oil spills, etc.

Thirteen ladies heard the secretary, Agnes Morozuk, read minutes of the November 25th meeting, the last in '86. Chairman Wasy Elashuk then called for the Treasurer's report. Violet McFadyen listed income and expenses of the past month. The canteen had been well used, also the pop machine. No special request from the Hospital was received.

McFadyen also reported the canteen was doing well, she has purchased some yarn, for use of volunteer knitters, and a need was noted for another member to help run the canteen. Theresa McCuaig volunteered to come in on Tuesdays.

There is one rug on hand, finished, which may be raffled later. Valentine

tray favors (for Hospital patients) have been made.

McFadyen then spoke on the Seniors Survey in the area, noting that support of the group would be appreciated. Elashuk stated that no funds could be diverted to any outside project, according to the by-laws. Perhaps there would be volunteers from the group.

There had been a Christmas Baby, born December 30th, and the auxiliary's gifts had been delivered.

Elashuk and McFadyen had attended the Annual Convention in Edmonton in November, and McFadyen reported her thoughts on this gathering. She was favorably impressed, especially with a report on Disaster Services at Hinton. This was the 38th Convention of Auxiliaries in Alberta. Group membership fees are now \$25 annually.

Next meeting will be February 23, in the Hospital meeting room. At that time St. Patrick's Day tray favors would be made, members to bring crochet hooks. Coffee and muffins, courtesy of the hospital kitchen, were much appreciated.

Further Ed & Lakeland College

By Gail Kozicky

What a great warm winter we are enjoying! How about taking advantage of this fine February weather and signing up for a course now? Check your course calendar, available at the office or at several downtown business locations and phone for details.

Cake Decorating (Feb. 25), Yoga (TBA), Keyboarding (Feb. 23), Using Your Microwave Oven (Feb. 16), Quilting (Feb. 23), Drapery (TBA), Ukrainian Egg Decorating (March 21), Petit Point Workshop (March 7), Easter Craft (April 4), Starting A Home Business (Feb. 18), Resume Writing (Mar. 12), Pay Day Survivals (April 22), Feeling Good: Assertiveness Training (March 14), Furniture Refinishing (Feb. 16) and H&S (TBA).

It's also last call for Basic Management Certificate. This course is to start shortly in Elk Point. There are spaces still available in the evening class.

Further Education is now accepting applications for new board members. If you feel this may be of interest to you, please write, stating your experience, to Box 638, Elk Point, AB.

Just a reminder to pick up your course calendars at Co-Op, Stedmans, Capital Drugs, Double S Confectionery.

Ferguson Flats area have requested Leather Glove Making to run on Feb. 23 and Feb. 25, 2 sessions, 3 hours each. Call the office for supply list, and inquire also about Taxidermy at Ferguson Flats as well.

Office numbers are: 724-4101, 724-4265, 1 - 4:30 p.m.

Pioneer Circle dance

By Irene Magnusson

A lively crowd showed up for the January Pioneer Circle dance on Saturday the 31st. As usual the music was great. I get so carried away (away back) listening to the good old songs of yore, that I sometimes forget to dance, which often happens when Doreen and her group play for the seniors. Door prizes were awarded to two lucky winners, who were guitar player Gus Dion and myself. A 'spot dance' later netted a couple of cute dressed-up dolls for the winners. Don Nichols and Doreen Youngmans.

The twenty-five or so persons who were there certainly had an enjoyable time, but some talk was that it was such a small turn-out 'didn't pay' and some dismay that more folks didn't take part in the fun. Talk was to 'try it once more' then a reconsideration would have to take place. The 'one more time' will be Feb. 28, same time and place, so if you'd like to see dancing continue, come on out and swell the throng. One can hardly help dancing, but even if you don't dance for some reason, the music is just fine for listening — and there is always visiting with others attending. Don't forget the Pioneer Circle meeting, for all the members on Feb. 10 at 2 p.m.

Scholarships awarded

Students from Elk Point, Alberta, were recently presented with scholarships at Camrose Lutheran College.

Lane H. Lorensen, a first year student in science was awarded \$270 by Camrose Trophies & Engraving of

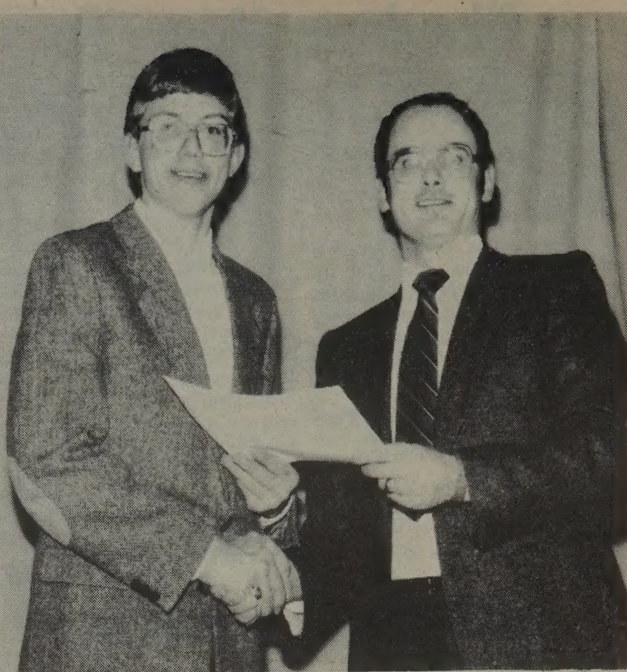

Camrose, Alberta.

Michelle A. Lukevich, a first year student in Education was awarded \$300 by Camrose Lutheran College.

The presentation was made at the Annual Scholarship Banquet on Wednesday, November 5, 1986, held at the college, and was attended by 180 scholarship recipients and by the scholarship donors from the Camrose Community. Other guests included members of the College Administration and Faculty.

In addition to grants and loans awarded by the Provincial and Federal Governments, Camrose Lutheran College provides well over \$120,000 in annual scholarships to its students. Awards are made on the basis of academic qualifications, leadership, and financial need.

Camrose Lutheran College is a liberal arts college, offering 3 and 4 year degrees in arts and science, 1 and 2 year university transfer programs, and an accelerated grade 12 matriculation program.

LORENSON RECEIVES SCHOLARSHIP — Lane Lorensen, who is studying Science at Camrose Lutheran College, accepts his scholarship from a Camrose Trophies and Engraving representative.

First Red Cross meeting for 1987

By Irene Magnusson

The Elk Point Red Cross Branch gathered for their first meeting in the new year, at the home of their president Violet McFadyen, in the afternoon of Monday, February 2nd. A couple of hours was spent cutting up materials, readying it for future quilt blocks, before the call to order.

Secretary Margret Modin read the minutes of the October meeting, and followed with a report of the November 12th Regional meeting, which was the last gathering of the group. It was noted that at that time Mrs. Hazel Hannah had received the Red Cross Badge of Service for her years of devoted work, in canvassing, etc.

Modin had brought some yarn for making afghans or lap robes, also there is yarn for baby garments. This is from Red Cross supplies.

The new policy, suggested by Red Cross, of branches selling articles made locally, rather than sending them to the city for sale, will be adhered to, with sale in April,

together with the annual Tea and Home Bake event.

McFadyen reported, that due to a new fiscal-year policy, the kits for canvassers' use have not been received yet. However, she is certain they will be there in time for the usual March canvass.

Modin announced a Red Cross Workshop, to take place from 9:30 a.m. to 3:00 p.m., in the F.G. Miller Highschool, on Saturday, February 21st. This will be for all canvassers in the area and town, as well as invited canvassers from other centres. Lunch and coffee will be available.

The group has materials, backings and batts for several quilts, McFadyen reported, and will soon be ready to have a quilting bee, Mrs. Violet Smith has donated one quilt top. McFadyen has purchased a quantity of thread, needles and yarn.

Thirteen members have paid the new annual membership fee (for the Branch) of \$2. More members would be welcomed. McFadyen read excerpts from the CREATIONS News

bulletin, wherein it was noted that the Elk Point Branch were to be congratulated on having made a total of twelve quilts in 1986 for Disaster Relief.

Modin pointed out that there are many "quilted" articles which might sell well, besides bedding. Some mentioned were cushion covers, bibs, potholders, place mats, glasses covers, bookcovers, shopping bags, vests, pocketbooks - and others. A little imagination can do wonders.

Lunch was served, donated by some of the ladies, McFadyen supplying the coffee. Another half-hour's work was spent on the materials, to clear off the lot started on.

The next meeting will be March 2nd, a Monday, and it is hoped to have at least one "work day" before then, same place, time to be announced.

Volunteer canvassers will, of course, be required, and new names can always be added to the list. Contact Mrs. McFadyen, if you can spare a few hours to this very worthwhile work.

COLLEGE SCHOLARSHIP RECIPIENT — Michelle Lukevich accepts her award from a representative of Camrose Lutheran College.

Obituary

Mr. Walter Zaraska

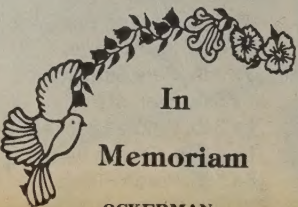

On February 8, 1987 Mr. Walter Zaraska of Elk Point passed away at the age of 79 years. He is survived by 2 sons & 3 daughters: Ed & his wife Peggy of Elk Point, John & his wife Mavis of Elk Point, Sophie & her husband Hal Schmidt of Edmonton, Gloria & her husband Len Griffiths of Spruce Grove & Mrs. Diane Kew of Victoria, B.C.; 11 grandchildren & 9 great-grandchildren. Reverend Sam Donaldson officiated with interment in the Elk Point East Cemetery.

Yewchin's Funeral Chapel Ltd., St. Paul 645-5177.

In Memoriam

OCKERMAN

In memory of Arnold Ockerman, who passed away June 27, 1986.

February - The Sweethearts Month

Our love blossomed in the winter time, And on February 14 with the words, Darling I'll love you forever Flowered with a diamond that sparkled like the crystal snow.

A family of five was Gods gift to our love And Darling, we nurtured and guided them with our protective love that held them tight, And tried to show them wrong from right.

Oh how the time flew by But now 26 years later all I can do is cry. If prayers and tears could have saved you There would be no fears or tears today.

But God called on you from the heavens, And Darling the steps to the Golden Gates were long and painful, But hand in hand we took each one together, Until the end when the angels took you in, And turned your loved ones to come down the steps alone.

Although you're gone in body, Your voice is loud and clear —Just carry on from here— Yes, you were short changed, Darling Your grandson Darcy, who you loved so dear looks so much like you With his sparkling eyes of heaven

blue.

I hope someday we'll meet again But until that day, my dear sweetheart, I'll walk alone And try to carry on the goals and dreams that we made on that February 14, twenty-six years ago.

Ever loved and missed by your loving wife Shirley.

Featuring This Week

NRS[®] NATIONAL REAL ESTATE SERVICE

"Ultimate in Mobile Home Living" — 1284 sq. ft. mobile home on fully completed basement. Large lot with double paved driveway. Close to schools and recreational facilities. Basement self-contained for rental revenue. Fridge, stove, drapes are included.

Capitol IDA Building — Elk Point

Dewberry News

By Phyllis Ewen

Early in the morning, one may see the streets of Dewberry lined with vehicles. The activity is in the former Eastalta Co-op store, purchased by Jude Rewuski & Jeff Nelson. Special features are arcade games, movie rentals and the coffee shop. There is a special draw for movie of the week (Bruce Braithwaite won the 1st week) and each month there is a draw for a membership. The Coffee Shop has taken a name: J.J. PLACE. Two offices are rented out, one to Vic Nelson for his Co-operative Insurance Services, the other to the Dewberry-Islay Pastoral Charge, for their Minister Rev. Ted Norris. In the east part you find Dewberry Woodworks with Jeff Nelson & employees Betty Brown from Tullibury Lake & Audrey Rainey. Renovations are underway for the showroom.

Jeff Nelson and wife Cathy left for Baltimore (his home city) on January 27 to visit with his family. They will be returning approx. February 15.

Gertrude and Kim Blacklock and Rhonda Bates spent four days in Edmonton, touring West Edmonton Mall and other points of interest.

The Men's Open Bonspiel was held January 5 - 11 with 24 rinks participating. The first event was won by John Maire rink of Islay; 2nd - Gary Johnston of Marwayne; 3rd - Ron Bates, Dewberry; 4th - Snelgrove Construction of Vermilion. The second event was won by Allan Lumley of Dewberry; 2nd - George MacCallister of Streamstown; 3rd - Duane Dale of Marwayne; 4th - Jim Davidson of Vermilion. The 3rd event was won by Crop Care of Marwayne; 2nd event to Dale Bates of Dewberry; 3rd to Coke of Vermilion and 4th to Harold Illingworth of Dewberry.

Curling activities this past weekend saw Lillian Ewen's rink taking part in the Islay Ladies Spiel. At Marwayne's Men's Open, Lorne Timanson rink placed 3rd in the 1st event and Lynn Parr's rink captured 1st in the second event. At Clandonald Men's Open, Jack Rainey's rink placed in the 2nd event, Glenn Ewen's and Jack Rogstad's rink took 3rd and 4th in the third event.

The Dewberry Curling Club raffle, trip for two to Las Vegas or \$1,500.00 cash was won by Glenn Ewen. Glenn chose the cash.

Bruce Braithwaite and Jim Hines each gave a \$500.00 donation to the Curling Club.

over time periods with Vermilion. Dewberry won the "B" series over Lloydminster, Dewberry 6, Lloydminster 2. The Pee Wees coach and manager Roy and Dorsey Butz thanked everyone for taking part and helping out in the tournament.

February 1st (Flyweights) Dewberry 18, Tullibury Lake 1; February 1st Dewberry Mustangs 5, Kitscoty Monarchs 2; Sunday February 1st was a very busy day at the arena with a lot of tired people helping in the booth. The grocery hamper that was donated by the Co-op was won by Steve Lychak of Derwent.

Rose Brett donated a beautiful afghan to the Curling Club to raffle. Tickets are on sale for it. The Dewberry Mixed Bonspiel is February 23 - March 1. Phone entries to Sharon Bates 847-3736 or Lillian Ewen 847-3034. Deadline for entries is February 20th.

A meeting was held on February 2nd to discuss plans for the Village of Dewberry's 60th Anniversary celebrations on July 25 and 26, 1987. Events include parade, ball tournament, program, Dine & Dance, pancake breakfast, interdenominational church service, heavy horse pull, horse shoe, Games, children's races and the Anniversary Wagon Train. Persons interested in attending, please contact by May 31st the Village of Dewberry, Box 30 or phone 847-3053 or 847-3971. Next meeting is March 11th at 8 p.m. in the Village Office. Watch for further details.

Bob Gray got a very pleasant surprise just recently when he answered the phone to learn it was a long distance call from Calgary, telling him, he had won a return trip for two to London, England. He won this trip through a renewal subscription to the magazine "World of Beef". He and his wife plan to take this trip in late April or early May.

Kelly Gray left on January 17th for a years holiday in Australia. She plans to visit friends and relatives but will also travel extensively in Australia. Kelly phoned home that she had arrived safely and that the temperature was 38 degrees Celcius. She was accompanied on the trip over by Valerie Pierce of Vilna.

Lillian Poitras spent a week visiting her daughter, Doreen in Saskatoon, before flying to Vancouver to visit her Sister. After this she was going to spend some time with her son, Raymond at Mapleridge.

Deepest sympathy is extended to

Fred Tullock (brother of Mrs. Robert Walker) and his family & relatives on the tragic loss of their three year old daughter, result of a house fire at their home in Edmonton on February 1st.

The Old Time Dance on January 31st, sponsored by the Dewberry Lion's Club saw seventy Old Time Dancers from Frog Lake, Heinsburg, Clandonald, Paradise Valley, Vermilion, Islay and two couples from Edmonton. The next old time dance will be Friday, February 20th - 9:00 p.m. to midnight.

Belated congratulations to Iris & Milo Hodgson on their 40th Wedding Anniversary on January 1st. Alvin & Gert Isert hosted an evening in their honor by having Vic & Gwen Nelson, Joyce & Don Braithwaite and Bob & Ariel Braithwaite in. On January 30th, approx. 30 members of the Greenlawn Community Church held a surprise party at Bob Wilson's, the occasion being the opening of his new house located on the former Don Wilson homesite.

Visiting at the home of Brian & Cecial Fenton, were her Parents, Mr. & Mrs. Arthur Gervais from Makwa, Sask. They enjoyed watching their grandson, Shayne, one of the goalies for the Colt Hockey team, play in the Dewberry Tournament. Mickey Maddex enjoyed her trip to Disneyland recently with her son, Headley and family from Vermilion.

The Gerald Holmen family spent the semester break skiing at Nakiska and Lake Louise. While at Nakiska (Mount Allen) they watched part of the Coors Freestyle World Cup Mogul Races. This event was a test run for the site of 88 Olympics with eleven countries being represented.

Jim, Lynn and Stacy Blacklock are on a skiing trip to Kimberley, B.C. They are accompanied by Pete & Cherry Scribes & children of Lloydminster. They are travelling by car.

FIVE GENERATIONS — Seated front (l-r): Great-Great Grandmother - ROSE WARD of Marwayne, holding JASON, sitting next to her, Mother - TRACY HEATHCOTE. Standing back (l-r): Great Grandmother - PEGGY MAAS, and Grandmother - DIANE HEATHCOTE. All of whom are from Elk Point.

Cargill ups capacity

Cargill Limited announced that 105,000 bushels of storage capacity would be added to its elevator at Marwayne, Alberta.

The investment, valued at about \$300,000, will bring total capacity at Marwayne to about 250,000 bushels. Construction of the flat bottom grain storage tank with a 7,500-bushel per hour conveying system is expected to begin in February and the new space should be in service by May of this year. Included in the construction project will be a 500-bushel per hour gas fired dryer.

Gerald Martin, Manager of Cargill's Marwayne facility, said that the increased capacity will benefit area farmers. "It will allow producers to deliver more grain more consistently when it is required to service the market. That should be an advantage in terms of cash flow."

Out Our Way

By Mildred Dunham

Ferguson Flats way, the ladies would like to see a glove making course take place on the 23rd and 25th of February. It requires eight people to register, so if anyone is interested, please contact Ellen Seward at 724-2345.

Ferguson Flats is still having their regular whist drives every two weeks. This Saturday they had six tables and are still hoping to see more people attending as the season progresses.

A former resident of Primrose, Hugo Wenzel of Vermilion, passed away and his funeral took place on Saturday at Elk Point.

A relative and friend of many people in Spring Park, Ferguson Flats and Primrose; Joanne Ingersol (nee Jacobson) of Bonnyville, formerly of Elk Point, passed away. It seems the sadness and loss is always so much worse when it's someone so young, leaving a family behind. The sad occasion of her funeral is taking place this Monday in Elk Point.

The new capacity should also add to the efficiency of transporting grain to market by enabling the loading of larger blocks of hopper cars.

Mr. Martin added that the installation of a dryer responds to problems local farmers have had over the past two years with high moisture conditions at harvest time.

Cargill's elevator at Marwayne is capable of handling 8,000 bushels per hour. Improvements over the years have included the addition of a custom blend fertilizer plant.

Dewberry hockey news

By Cliff Cunningham

The Dewberry Pee Wee Tournament was held on the weekend of January 30th to February 1st with teams from Dewberry, Vermilion, Lloydminster, Kitscoty, and Onion Lake. Scores were: Dewberry 5, Vermilion 8; Lloydminster 4, Kitscoty 4; Vermilion 17, Onion Lake 0; Lloydminster 9, Onion Lake 0; Kitscoty 0, Vermilion 6; Dewberry 7, Onion Lake 1; Kitscoty 7, Dewberry 6; Vermilion 8, Lloydminster 0; Onion Lake 0, Kitscoty 14; Dewberry 8, Lloydminster 4. In the finals, Kitscoty won the "A" series in the three 2 minute

overtime periods with Vermilion. Dewberry won the "B" series over Lloydminster, Dewberry 6, Lloydminster 2. The Pee Wees coach and manager Roy and Dorsey Butz thanked everyone for taking part and helping out in the tournament.

February 1st (Flyweights) Dewberry 18, Tullibury Lake 1; February 1st Dewberry Mustangs 5, Kitscoty Monarchs 2; Sunday February 1st was a very busy day at the arena with a lot of tired people helping in the booth. The grocery hamper that was donated by the Co-op was won by Steve Lychak of Derwent.

**FINANCING
ALBERTA
BUSINESS**

Our business continues to go through the roof, thanks to AOC.

For Joe Lockwood and Bob Hale of A-Clark Roofing Ltd., business is booming.

In 1983, A-Clark Roofing Ltd. needed financial assistance if the business was going to keep a roof over its head. Partners Joe Lockwood and Bob Hale turned to AOC for help.

They had a waterproof plan for growth...and AOC said go for it! Lockwood and Hale did, and today A-Clark Roofing Ltd. is one of the largest roofing contractors in Northern Alberta.

Have a sound idea for a new business? Want to put a better roof over an established business. If you've been unable to obtain financing through regular sources, call or visit your nearest AOC office and ask for our brochure, *Financing New Business*. Your nearest office is in St. Paul, 645-6356

Alberta
OPPORTUNITY COMPANY
Financing Alberta Business

AOC has offices in Brooks, Calgary, Edmonton, Edson, Grande Prairie, Lethbridge, Lloydminster, Medicine Hat, Peace River, Red Deer, St. Paul, and its Head Office is located in Ponoka.

Alberta Wheat Pool members meet with Clandonald delegate

By Shirley Osinchuk
Clandonald Correspondent

On Monday, February 2, Clandonald Wheat Pool members met for a pancake supper and annual meeting with their delegate, Albert Pidruchney and Pool representative Dale Will.

After supper, the meeting opened upstairs in the Clandonald Hall, with a slide presentation which set out the figures for income, sales, and handling for the crop year 1985 - 86. Grain, fertilizer and chemical sales were down from the previous year, but domestic and export seed sales were up. Alberta Wheat Pool shipped 3.3 million tonnes of grain through its terminals, which was 51% of all the grain shipped. The AWP terminals earned \$29.3 million, up \$8.5 million.

Alberta Food Products, the rapeseed crushing facility, has been a losing business, and as was discussed later, is presently being sold to Canada Packers.

Market inroads have been made into the USSR, USA and Japan.

Other businesses owned in part by AWP, like Co-Enerco, a cooperative energy corporation, 100% Canadian owned, and ABL Engineering have been successful during the past year.

Mr. Pidruchney's own slides presented resolutions which had been lost and some which passed, for further discussion with Clandonald members.

The decision was made by the AWP not to pay out reserves during the '86 year, and the \$53,000 available has been kept as new reserves. Discussion pointed out that the members who would have had reserves paid soon, felt that payment should have been made.

A resolution to centralize AWP Agro warehouses had been lost. Members want chemicals and other products available at local elevators rather than having to travel to Vermilion, in the case of Clandonald.

Members requested that communication be improved between the Agro Centre and local elevators so members would have an opportunity to know about sales in advance and pay the same prices at all times as at the larger warehouse.

Alberta Crop Insurance change requests have been presented to Dallas Schmidt for his consideration.

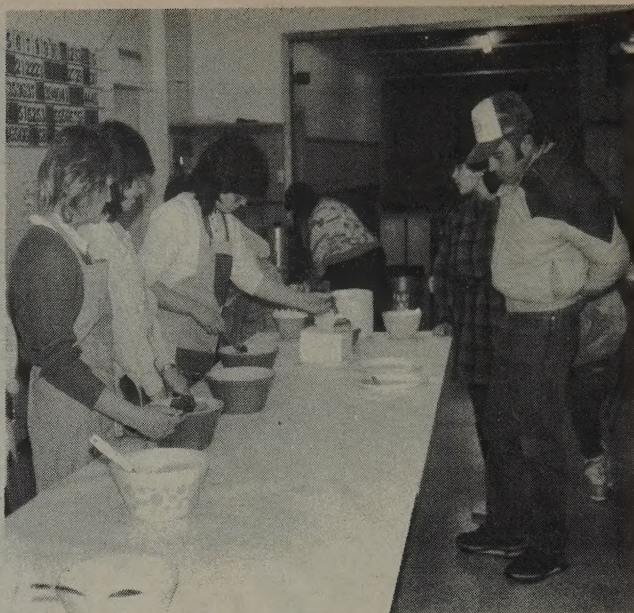

An amendment to the Western Grain Stabilization Act will allow levies to rise to the maximum when the fund is at a deficit position at the end of the year, to allow the deficit to be paid off more quickly. The fund is now in a deficit position. \$7 to \$8 million will be paid out in the spring, the largest payout yet.

A resolution that the Country Planning Department rationalize AWP country grain handling system, generated discussion on variable rates, and the fact that the Clandonald elevator does not get enough rail cars to ship the volume of grain available in the area. This is partly because the elevator was closed for renovations for several months last year and the number of cars sent is based on the previous year's shipments.

Representatives from the USSR have suggested that Canadian funds spent in Russia should increase from 20 cents to 50 cents for every dollar they spend on Canadian grain, by the AWP selling Belarus tractors. The AWP has morally supported the use of Belarus equipment and promotes international trade. More insistence is expected shortly from the USSR.

Delegate Albert Pidruchney listed several items he would look into immediately, which were raised in the discussion, including the delay in partial payment cheques from Calgary.

Mr. Pidruchney has been named a Director since his election and will serve in both roles until another delegate is elected in Area 6 in October 1987.

PROJECT LONDON PYROHY SUPPER — Thurs., Feb. 5, was enjoyed by a good crowd at Heinsburg Community Hall.

Heinsburg School news

Welcome to our February newsletter.

Our congratulations to the following students who were successful in the Marwayne Legion Remembrance Day contests.

JUNIOR ESSAY: First - Michelle Abraham; Second - Lori Barstad; Third - Twila Rainboth.

INTERMEDIATE POSTER - First - Janice Blacklock.

INTERMEDIATE ESSAY - First Janice - Blacklock.

These students will be recognized at a special presentation by the Marwayne Legion at a date to be announced.

Basket Social & Dance - Saturday, February 14, 9:00 p.m.: The Heinsburg community club are holding this event in place of the annual ski-doo poker rally. Ladies who bring a basket lunch admitted free -

everyone else - \$5.00. Prairie Ramblers will provide the music.

London Trip - March 26 to April 3, 1987: All plans and final details are now in place. Eighteen students and supervisors from our school and communities will leave Edmonton on March 26 for a nine day tour of London. They will arrive back on April 3.

Teacher's Convention - Thursday, Friday - February 19 & 20: The annual North East Teachers Convention will be held in Edmonton. School will be closed on these two days.

Staff Meeting - Wednesday, February 18 - 2:00 p.m.: Parents please arrange to receive your students home one hour earlier on this day.

Community Library Needs Assessment: As required by our community library, a questionnaire and personal interviews were carried out by a committee. The information is now being compiled for Alberta Culture. We appreciate the time and effort of our community members towards this project. Again, from the Library Committee of the Heinsburg Community School - Thanks.

4-H Multi Club - CHECK IT OUT: Highlites from January 26 Business Meeting:

- February 7 or first warm Saturday Tobaggon Party, Location - Barstad's Hill - details to be finalized.

- February 22 - Skiing to Kinoo Ridge Grande Center, details to be finalized.

The club is considering co-sponsoring Whitney Lake Rodeo with Les Trach. This would involve a booth for two days, help setting up corals, and seeking sponsors.

Becky Lore Home Economist from St. Paul gave a presentation on what her office had to offer and a brief outline of what 4-H has to offer.

Dates To Remember: February 3 & 17, Craft and Woodworking Sessions, Zayac's Residence; February 9, Pee Wee Work Session; February 23, Business Meeting, Frog Lake Hall.

Upcoming School Events

Education Week - March 2 - 8 - The Heinsburg Community School is planning events for this week for parents and the general public.

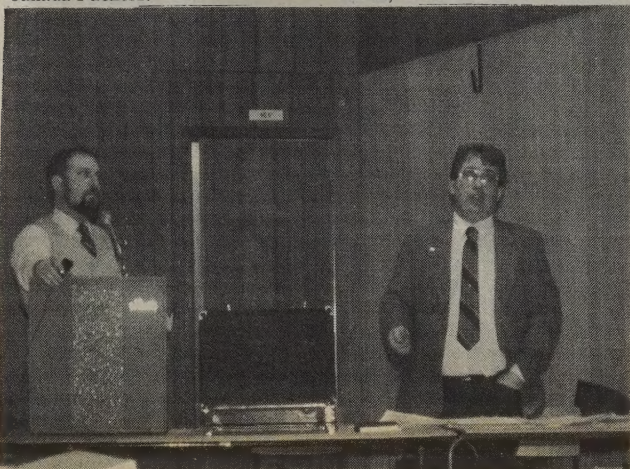

Science Fair - Junior-Senior High - March 11 - F.G. Miller School.

Junior-Senior High Speech Program - March 25 - Ashmont Secondary.

Elementary Speech Program - Each school will hold this event at the school level. Date to be announced.

Heinsburg Further Education Council - Marle Zayac - Phone 943-3913 or 847-2238.

The Annual Further Education Supper Meeting for members will be held on February 23, 1987 - 6:00 p.m. Empress Banquet Room. Invitations will be arriving in the mail shortly.

ALBERT PIDRUCHNEY — Alberta Wheat Pool Delegate, and Dale Will, Alberta Wheat Pool, Public Relations, from Vermilion, speaking at annual meeting in Clandonald.

CUT OUR COUPON AND CUT YOUR FUEL COSTS.

Canadians use more petroleum for their cars than for any other purpose. That's why it makes good sense to know how you can save energy and money when you're driving.

The Car Economy Book is filled with helpful hints on purchasing, operating and maintaining your vehicle. By following the book's expert advice, you'll save money, reduce pollution, and ease the demand on our natural resources.

Clandonald News

By Shirley Osinchuk

Ninety-six men from Dewberry, Elk Point, Clandonald and Vermilion formed twenty-four rinks for the Clandonald Men's Bonspiel, curled from January 28 to February 1. Neil Copeland's rink was the final 1st event winner, putting the Willie Snelgrove rink second. In the second event, Allan Forbes' rink took first place, and Kevin McCormack's second. Ivan Cusack's rink won over Larry Pare in the third event.

Congratulations, organizers and curlers on a good bonspiel - good curling, extra ends in several games, banquet and breakfast - and enjoyable week.

The Mixed Bonspiel dates are February 18 - 22. Enter soon by calling Gary at 853-6513, Ted at 853-2188 or Ken at 853-2649.

There were 28 card players at the Landonville Whist Drive. Bill Chomlack and Sue Goad took the

Travelling Prizes and High Score prizes. Next Landonville Whist Drive is on Wednesday, February 18 at 7:30.

The Junior High Girls Basketball team travelled to Vermilion on Thursday, where they played and beat both the J.R. Robson and St. Jerome's team.

On Saturday, they played in a tournament in Kitscoty. They beat J.R. Robson and Kitscoty but fell behind 8-10 to St. Jerome's in the final game to place second. Well done, team.

We wish to express our sympathy to the family & friends of Collette Lawrence, who passed away on February 7. Our thoughts & prayers are with Tony and his family.

The Annual Lloydminster Constituency Progressive Conservative Association meeting was held in Lloydminster on Friday, February 6.

Matt Collins, in charge of the constituencies from Edmonton to Lloydminster and north to Fort McMurray,

said that the PC party has as its priorities the economy, unemployment, the oil industry and agriculture, with emphasis on communication throughout the party, from members right to policy makers.

MLA Doug Cherry introduced Minister of the Environment and Public Safety, Ken Kowolski. He pointed out the ways that Alberta has lead the country and the world in concern for and control of the environment. He said also that the present government caucus of 61 ministers has placed great importance on family, responsibility, private enterprise and reward for initiative. He concluded with words of commendation for Lloydminster MLA Doug Cherry, stating that Doug cares strongly about children and young people, seniors and the handicapped and disabled.

MLA Doug Cherry spoke, following

the elections, stating that attitude was very important to ensure the success of the constituency association and the government of Alberta. He congratulated the newly elected executive and directors, and looked forward to working together.

The Clandonald area is represented in the P.C. Lloydminster constituency by Jiggs Goldsmith, Vice-President and Directors, Matt Harasiuk, Terry Stachniak, Dever DeFord and Shirley Osinchuk.

Please call me, Shirley - 853-2098, in advance when there are birthdays or anniversaries that would be acknowledged by the MLA or Premier of Alberta. Doug Cherry has asked me to keep him up to date on things happening in our area.

Other dates for next week:

Monday, February 16, 8:00 p.m., Bingo at Friendship Centre.

Monday, February 16, 7:00 p.m., Whist at Rusylvia.

Wednesday, February 18, 7:30 p.m., Whist at Landonville.

Wednesday, February 18 - 22: Mixed Bonspiel, Clandonald.

Thursday, February 19, Fish and Game Meeting, Slide Presentation at 7:30 p.m. on Hunter Education Tournaments, presented by Berkley Glazer. Business meeting will follow.

Take An Alberta Break! - In Clandonald!

Winter Carnival

Thursday, February 12 - Snow Sculpture Contest; 6:30 p.m. Pot Luck Supper; 8:00 p.m. - Talent Show - Clandonald Hall.

Friday, February 13 - 7:30 to 9:00 Dine Time Carnival - School; Snow Sculpture Awards.

Saturday, February 14 - 10:00 - 12:30, Pancake Breakfast - Hall; 10:00 - 5:00, Family Funspiel - Curling Rink; 1:00 - 5:00, Skating Party, Sleigh Rides, Challenge Races, Human Horse Pull, Sliding.

Grain program applications out

Farmers can now get application forms for the Special Canadian Grains Program announced by the federal government. Forms are available at grain elevators, producer organizations and all Agriculture Canada and Farm Credit Corporation offices.

Application forms for western farmers with a Canadian Wheat Board permit book will automatically receive a first payment. They will be asked to verify the information used to calculate their payments before a final payment is issued. Farmers without a permit book, or those who grew corn, soybeans, mixed grains or sunflower seeds which are not listed on permit books must apply for payments.

Canadian Wheat Board Minister, Charles Mayer has stated that first payment cheques to western farmers should be in the mail by Jan. 26.

The deadline for applications is March 31, 1987.

Eligible crops are wheat, barley, oats, rye, mixed grains, corn, soybeans, canola, flax and sunflower seeds. Farm-fed grain, high moisture corn and barley and seed grain are also eligible. Crops harvested as whole-plant silage are not covered.

Federal officials say they have received questions from farmers regarding who can certify their application forms. These can be certified by grain elevator operators, court officials, elected officials, clerk-treasurers of local municipalities, notaries and lawyers. As an alternative, an officer of Agriculture Canada, who has knowledge of the farmer's operation can certify the document.

Individual payments are calculated on the basis of a farmer's seeded acreage of grains and oilseeds, average regional yields in his or her crop insurance district (best three of the last five years), and an assistance rate for each commodity. These rates are proportional to each commodity's relative price decline attributable to the trade war.

In enterprises in which more than one producer is farming the land, such as corporations, co-operatives and partnerships, documentation will be required. This could be in the form of partnership agreements, or joint receipts on purchased inputs or sales. Each participating producer may receive up to the \$25,000 maximum payments allowable under the program.

Payments will be made only to actual producers. Landlords and tenants must make their own arrangements for sharing the payment made to the eligible producer.

More information can be obtained by calling Agriculture Canada, in Ottawa at (613) 957-7078.

\$1 BILLION SPECIAL CANADIAN GRAINS PROGRAM.

A Helping Hand for Grain Farmers

The Special Canadian Grains Program is assisting Canadian farmers with \$1 billion. This initiative, announced by Prime Minister Brian Mulroney, is the largest of its kind ever undertaken by any Canadian government on behalf of farmers.

It is a national program that responds to a national need. It will help offset low grain and oilseed prices resulting from the subsidy war between the European Community and

the United States.

The first \$300 million will be in the hands of grain and oilseed farmers this winter. Another \$700 million will be paid out in the spring.

The details of this historic program are as follows:

1. You will benefit if, in 1986, you grew wheat, barley, oats, rye, mixed grains, corn, soybeans, canola, sunflower

seeds for crushing or flax. Pedigreed seed, high moisture corn, high moisture barley and farm fed grain are also covered.

2. Farmers who received a corn, soybean or winter wheat stabilization payment for their 1985/86 crop have had applications mailed to them.

3. All other qualified producers should obtain an application form. You can pick one up at the following places:

- Offices of Members of Parliament,
- Feed mills,
- Farm Credit Corporations Offices,
- Agriculture Canada offices and Research Stations,
- elevators

You can also fill in and mail the coupon below and one will be sent to you. Act now.

Application Deadline is March 31st, 1987.

The Government of Canada is committed to ensuring that agriculture remains a strong and vibrant part of our country's economy. The Special Canadian Grains Program is a part of that commitment.
